OFFICE OF INITIAL PATENT EXAMINATION

Sir:

**REQUEST FOR CORRECTED FILING RECEIPT**

We are forwarding herewith a copy of a Filing Receipt for the above-identified patent application. The error is in the filing date of provisional Application No. 60/152,607. The filing date of that provisional application should be September 8, 1999, not September 9, 1999. This change is shown in ink on the attached copy.

For the convenience of the Patent Office, Applicants enclose copies of (1) the stamped receipt-acknowledgement postcard (dated September 8, 1999) from the filing of provisional Application No. 60/152,607; and (2) the serial number and filing date postcard dated September 8, 1999 from the same provisional application. Both of these postcards evidence that provisional Application No. 60/152,607 was filed on September 8, 1999, not September 9, 1999.

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
